## **Mission Statement**

Community Learning Center's mission is to meet the diverse childcare needs of families within a healthy, safe and nurturing environment.

## Philosophy

Community Learning Center's purpose is to provide childcare services that exceed expectations of families.

This is accomplished through highly skilled teachers and othe childcare professionals who are able to create compassionate nurturing environments that stimulate physical intellectual emotional, social and moral development.

## Community Learning Center offers the following benefits for all our families:

- Not-for-profit organization in business since 1980.
- CLC is open year-round.
- Open for early release days, no school days and summer breaks.
- Flexible schedules available with a minimum of 2 days per week.
- Dedicated Early Childhood Registry Certified Teachers.
- Healthy CACFP meals and snacks prepared and served or site by our cook.

\*Classroom designed for children 4-5 years old and is set up in a traditional preschool setting.

\*Structured morning, afternoon or both which gives the children the opportunity to make decisions as to what centers they would like to be creative in.

\*Planned activities that refine large and small motor skills, cognitive development, self-help skills, social skills and selfexpression.

\*Choices include: art, science, dramatic play, books, fine motor, puzzles, games, blocks, cars, outdoor play space and more.

Weekly themes and activities that allow children to express their creativity while learning in a play-
