

STEM Club:

Zip Line Challenge for Grades 1-5

Tuesday, November 19, 3:45 p.m.-5:00 p.m.

Explore the concepts of gravity, friction, and speed as you by design and build something that can carry a mini-figure from the top of a zip line string to the bottom in

"The opinions expressed (information provided) are not sponsored or endorsed by the school district or its personnel"

STEM Club is a program designed for children in first to fifth grade. In this monthly program, children are given the opportunity to explore the principles of science, technology, engineering, and math through fun and engaging experiments and lessons, led by library staff.

Registration is required by Tuesday, November 12. Sign up at the circulation desk or by calling the library.

Programs with low registration may be canceled.
